

SETAA Psychological Assessment

Andrew
Kirkgordon

Name: Mr Andrew Kirkgordon

Alias: Churchy

Age: 43

Born: Banff, Scotland

Position: Team Leader

Report:

Kirkgordon shows strong leadership qualities and is capable of thinking out situations by taking on other opinions, even from those he considers enemies. He has a keen distrust of the weird and supernatural but holds a strong personal faith in the Christian God. He can be turned by women and is likely to rush to the rescue without consideration of the consequences, personal or otherwise. Excellent bowman.

Stability: A cauldron underneath, he maintains an outer calm

Supernatural Awareness: Of his own faith, deep. Of elder and other supernatural elements, limited.

Supernatural Ability: None of his own.

Leadership: Consummate

Combat Effectiveness: Not personally strong in combat, he is a strong leader and organiser.

Recommendation:

Useful operative but needs to be watched to ensure he doesn't disagree with his tasking and change it to more "ethical" purposes.
